

Open Seminar: Internationalization of Local Universities for Local/Regional Revitalization

February 27, 2022

13:00-15:00 (JST)

With English-Japanese simultaneous interpretation via Zoom Language Feature

Amid significant social changes and transformations, such as the arrival of a global knowledge-based society, the shift to the fourth industrial revolution, and a declining population, the role of local universities is being reexamined. This open seminar explores the current policy trends around local/regional revitalization and internationalization of higher education and their relevance to local universities in Japan, Korea, and Taiwan.
