

Active Learning in Action

In the opening session of the workshop, you will be sharing your views of teaching and learning. To focus these discussions, two short segments from actual classes, accessible through the Internet, have been chosen for you to critique. Please watch these segments and answer the questions below before coming to the Active Learning Workshop on September 26th.

Video Clips:

1.Introduction to Electrical Engineering and Computer Science 1 at MIT (45:25 – 52:10)
