“Career for women and foreign students”

Pursuing careers for women and foreign students

-- Female students, Foreign students, Post-Doctoral, Assistant, and Undergraduate Students -- -- Campus Special Lecture ② --

For all who are studying and researching at Tohoku University Graduate School, such as in a Master's Course or Doctoral Course, Researchers, and Teaching Assistants considering their careers and future plans, especially women: highly respected Professors at Tohoku University will draw on their own experience to speak about courses, your careers, and support networks. They will share with you actual experience along with professional knowledge in this lecture. This is a good opportunity to gain new insights. Questions are welcome and expected.
